

# Talk About Forever

Mabel

Even rain in the middle of July  
So I hanging at the same place we always do  
All your friends know that we're here together  
So why you gotta go, why you gotta go

Put your hands all over me  
Asking me how much I love you  
Nothing has changed since yesterday  
I still adore you

You got me feeling so high  
Maybe we could stop time  
Every moment we're together, babe  
We can make our own world  
Just let me be my own girl  
We'll talk about forever babe  
You know I, you know I  
You know that I do  
You know I love you  
Talk about forever, babe  
You know that I do  
You know I love you  
Talk about forever

Lights dimmed glow  
And I'm looking at my phone  
Just trying to mind my business  
Why we have to go down the same old road  
I didn't know I was being dismissive

You got your hands all over me  
Asking me if I still want you  
Nothing has changed since yesterday  
I'll reassure you

You got me feeling so high  
Maybe we could stop time  
Every moment we're together, babe  
We can make our own world  
Just let me be my own girl  
We'll talk about forever babe  
You know I, you know I  
You know that I do  
You know I love you  
Talk about forever, babe  
You know that I do  
You know I love you  
Talk about forever

You got me feeling so high  
Maybe we could stop time  
Every moment we're together, babe  
We can make our own world  
Just let me be my own girl  
We'll talk about forever babe  
You know I, you know I  
You know that I do

You know I love you  
Talk about forever, babe  
You know that I do  
You know I love you  
Talk about forever  
You know that I do  
Talk about forever, baby  
You know that I do love you, love you  
Talk about forever babe
