

## Get To You Again

Mac Ayres

I guess we meet again, my friend  
It's not so often that you come around  
Until our track has seen its end  
I'mma be running, babe  
Mmm

I spent the whole night driving home  
Just wishing you would call and tell me  
To turn around like I ain't done  
With what I started, babe

Finally think of starting with you  
Can I start with you, oh?

How do I get to you again?  
How do I get to you again?  
How do I get to you again, babe?  
How do I get to you again (again)?  
Ooh

I heard she never said she'd fall  
She just had taken something stupid  
She probably won't expect my call  
So I ain't making it

Knowing that I'm calling to you, oh  
Can I call to you, yeah?

How do I get to you again, babe?  
How do I get to you again?  
How do I get to you again, babe?  
How do I get to you again (again)?

They wanna know how I've been living (good)  
They're listening to the shit that I have written  
They say I knew it had to be, babe, babe  
Last man to touch the mic, he went missing  
The only thing I know is what it isn't  
Didn't think I had it in me baby, yeah  
They wanna know how I've been living (how do I get to you again?)  
They're listening to the shit that I have written  
They say I knew it had to be (how do I get to you again?), babe  
Last man to touch the mic, he went missing (how do I get to you again  
?)  
The only thing I know is what it isn't  
Didn't think I had it in me baby, yeah

How do I get to you again, yeah?
