

holdin'

Mac Ayres

Why do I feel like I'm always waiting?
For someone to come say to me to go and take it
I hear what my friends they keep, they keep on telling me
No, the grass ain't always greener where you're supposed to be

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin', holdin'
'Cause I know it's got me feeling okay

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin'
No, the shit like this just don't go away

Why do I feel like I'm hesitating?
Something is out there, I'm just afraid to say it
Now I see you go straight forward, I'll go kinda left
Just to know that I find it all out for myself

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin', holdin'

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin', holdin'
'Cause I know it's got me feeling okay

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin'
No, the shit like this just don't go away

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Holdin', holdin'
'Cause I know it's got me feeling okay

Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
Yeah, I'm holdin' (Onto something)
