Holy crap, birthday boy  
20 years old, I love you  
Have a great day  
I hope you get my birthday card today  
And have a great time with your friends  
Unless that was last night, last night or tonight  
Tonight's the birthday  
Um, alright, my love, I'll see you soon, I love you  
Oh, this is Grammy by the way, okay bye
