

she just wanna see me rn

Mac Ayres

She just wanna see me right now
No hesitating
She just wanna see me right now
Right now, yeah
She just wanna see me right now
No more explaining
She just wanna see me right now

She just wanna see me right now
No hesitating
She just wanna see me right now
Right now, yeah
She just wanna see me right now
No more explaining
She just wanna see me right now

She just wanna see me right now
She just wanna see me right now
Right now, yeah
She just wanna see me right now
No more explaining
She just wanna see me right now
