

## Show Me

Mac Ayres

Didn't wanna start up in a losing game  
No, I didn't wanna feel this way  
I guess you could say that I'm the one to blame, oh my friend  
You know where to find me when the lights turn low  
I ain't got another thing to say  
I'm just tryna tell you I want something more  
Than just friends (More than just friends)

She got something to show  
She tried to keep it low  
I'd spend another morning with you  
I know what she would think  
She won't let me sleep again

Yeah I know it, yeah I know it  
Yeah I know it, yeah I know it  
Yeah I know it, yeah I know it  
Yeah I know it, yeah I know it  
(Yeah I know it, yeah I know it)

I don't wanna nothing, I just want more time  
Always just too far away  
Girl you know I wanna keep you satisfied  
In some way (In some way)

She got something to show  
She tried to keep it low  
I'd spend another morning with you  
I know what she would think  
She won't let me sleep again

(Yeah you know it, yeah you know it  
Yeah you know it, yeah you know it  
Yeah you know it, yeah you know it  
Yeah you know it, yeah you know it)
