

## This Bag

Mac Ayres

Hum, yeah I just, recordedn word

I could drop sixty on this bag  
Just to hold you for the rest of the week  
I could drop sixty on this bag  
I just hope that I got something to heap  
I could drop sixty on this bag  
Just to hold me for the rest of the week  
I could drop sixty on this bag

I could drop forty on that bag  
'Cause I gotta get a gift for my girl  
I could drop forty on that bag  
But it's all my money left in the world  
I could drop forty on that bag  
But it's all my money left in the world  
I could drop forty on that bag

I could drop twenty on that bag  
But that ain't even going to do  
I could drop twenty on that bag  
And I could kick it for an hour or two  
I could drop twenty on that bag  
As if there's something better to do  
So I'mma drop sixty on this bag
