

Where Do We Go from Here?

Mac Ayres

Said, I wanna know where do we go from here?
I wanna know where do we go from here?
I wanna know where do we go?
I wanna know where do we go from here? yeah

I remember what you told me 'fore you had to go
That if you holding on tight to something better keep on holdin
g on
Remembering the day that I met you it's been so long
I just wanna know what you're feeling, if it's still strong
Baby tell me

I wanna know where do we go from here?
(Baby just tell me where, where do we go from here?)
I wanna know where do we go from here?
(I remember what you told me, what you told me baby)
I wanna know where do we go?
I wanna know where do we go from here?
(Yeah, yeah)
