wrong

Mac Ayres

I justify, to come back firing shots without taking aim
My soul survived, when she had me over that burning plain
Can't seem to find, another pair of arms I could fall into
If shes out of mind, why can't she just go and get out?
Why, to? Why, to?

So baby don't walk this way
Baby please don't stay
Or I'll have to say that I was wrong
So don't walk my way baby
Baby please don't stay
Or I'll have to say that I was wrong
Don't tell me I was wrong again

No telling why, I let you swear beside of my flowing veins
I said goodbye, now I fall asleep to the going trains (Trains, trains
, trains, trains)
I ain't satisfied, I miss the rolling hills and the willow tree
I'm terrified of all the things you said you could do for me... for m
e

So baby don't walk this way
Baby please don't stay
Or I'll have to say that I was wrong
So don't walk my way baby
Baby please don't stay
Or I'll have to say that I was wrong

We've been too close to lovin'
Too close
We've been too close (Too close) to lovin'
Too close
Too close

So baby don't walk this way
Baby please don't stay
Or I'll have to say that I was wrong
So don't walk my way baby
Baby please don't stay
Or I'll have to say that I was wrong

So baby don't walk this way
Baby please don't stay
Or I'll have to say that I was wrong
So don't walk my way baby
Baby please don't stay
Or I'll have to say that I was wrong
