

Everybody Loves A Love Song

Mac Davis

Na na na, na na na
Na na na na na na na na na na na na

Sometimes it makes me dizzy
Just like cherry wine
Sometimes it makes me tremble
Just to hold your body next to mine
Baby, it's a love song that I'm singin'
Girl, there's nothin' else I'd rather do

'Cause everybody loves a love song
And baby, I love you. You know I do

Na na na, na na na
Na na na na na na na na na na na na

Baby, brush your lips against me
And whisper soft and low
Honey, tell me that you want me
Lord it moves me girl
I think you know
Baby, it's a love song that I'm singin'
Girl there's nothin' else I'd rather do
'Cause everybody love a love song
And baby, I love you.
You know I do.

Na na na, na na na
Na na na na na na na na na na na na
