

I'm A Man

Mac DeMarco

Creeping around up in downtown
Got the late night shift rolling up like this
Got a fresh pack of roys, the vice of this boy
Try to struck as I walk when I'm on my block

'Cause I'm a man (man), 'cause I'm a man (man)
'Cause I'm a man (man), 'cause I'm a man (man)

Try to keep myself clean for no one I've seen
Wearing all kind of shit that really don't fit
Five hundred and ones fit for this son
A pair of Levis jeans, you know what I mean

'Cause I'm a man (man), 'cause I'm a man (man)
'Cause I'm a man (man), 'cause I'm a man (man)
'Cause I'm a man (man), 'cause I'm a man (man)
'Cause I'm a man (man), 'cause I'm a man (man)
