

Knockin'

Mac DeMarco

Memories that you'd already filed away
Knockin'
Days of feeling low you thought had gone to stay
Knockin'
Freedom that you don't know how to spend
Knockin'
Letters that you wrote but never sent
Knockin'
At your door, will you let them in?

Questions from your past that still need answering
Knockin'
Answers that you gave to keep them wondering
Knockin'
Freedom you're too scared to execute
Knockin'
Freedom that you earned by bending truth
Knockin'
At your door, will you let them in?
