

Rooster

Mac DeMarco

 Closer, closer
 Come a little bit closer
 Darling, I don't bite
 At least not like I used to

 Dimmer future
 Things are looking kinda used up
 Darling, I don't mind
 Long as we still got each other

 La, la, la
 La, la, la

 Closer, closer
 The end is looking so much closer
 Darling, don't feel scared
 It's just a feeling you'll get used to

 Dimmer future
 Things are looking kinda used up
 Darling, I don't care
 I'll still rise up with the rooster

 La, la, la
 La, la, la
