## **Salad Days**

## Mac DeMarco

As I'm getting older, chip up on my shoulder Rolling through life, to roll over and die

Missing hippy Jon, salad days are gone Remembering things just to tell 'em so long

Oh mama, actin' like my life's already over Oh dear, act your age and try another year

Always feeling tired, smiling when required Write another year off and kindly resign

Salad days are gone, missing hippy Jon Remember the days just to tell 'em so long

Oh mama, actin' like my life's already over Oh dear, act your age and try another year [x2]
