

Scarecrow

Mac DeMarco

Scarecrow
What you stand for?
Could I be cold?
What do they know
About it?
Scarecrow
Do you feel alone?
Could I be cold?
What do they know
About it?

Scared crow
Where'd your heart go?
Could I be cold?
Now they all know
About it
Scared crow
Soon you'll be alone
Could I be cold
Now they all know
About it
