

Simply Paradise

Mac DeMarco

Yeah, yeah, yeah, yeah, yeah, oh, oh, yeah
Baby, give your love to me, uh-huh
Yeah, yeah, yeah, yeah, yeah
Come on, baby, now
Simply paradise, uh

It's so long, oh, too long
I just really want to take it home, uh
I know I can make you turn mad
Whoa, no, no, no, yeah
I'm jammin' over lovin' for a long time
Baby, it's movin' all right

My heart, I find
She is simply paradise
But her L.O. is mine
Is mine forever

Don't try, don't try
To have her, she will be mine
Simply paradise

You got to know that she doesn't like you
Well, you know your love is ordinary
Your love
Right on, right on, right on, now

Oh, baby, simply paradise, yeah
My heart, do you find
She is simply paradise
But her L.O. is mine
Is mine forever

Don't try, don't try
To have her, she will be mine
Simply paradise

Oh, yeah
Yeah, I'm going home today, you know
But listen, Mac
Yeah He tell you doing better, Madonna says
You know, Madonna, she has, she knows
Come on, pal Look the way she look at me
You're a dream, man
So beautiful she is
She can't come with me
She can't be, pal, only with me
(Simply paradise)
