

Sweeter

Mac DeMarco

Now you know what love can feel like
You sad now it's gone away?
Brought back, we could try things over
As if there wasn't ever pain

Sweeter
This time will be sweeter
I can be much sweeter
Some things never change

Sweeter
This time will be sweeter
I'll be so much sweeter
Now, back inside your cage

Now your heart's been broken over
And over and over again
Heartbreak wasn't my intention
Let's see how your love can bend

Sweeter
This time will be sweeter
I can be much sweeter
Some things never change

Sweeter
This time will be sweeter
I can be much sweeter
Now, back inside your cage
