

## 4 Much

Mac Dre

Little ones, yes  
Ya nigga Yukmouth in this bitch, what!  
Yeah, FM Blue in this bitch, what!  
Yeah, Fast Life in this bitch, what!  
Real Oakland niggas, yeah  
East Oakland niggas, bitch, yeah  
This when the real meet the real ya nigga, yeah  
Uh, yeah

Yuk ain't Georgy Porgy but the bitches adore me  
So many condoms on the floor you think it's an orgy  
So many choppas in the car you think it's an Army  
Or a Navy the way blaze K's at them shady niggas  
So many throwbacks you think it's the '80s  
The coupes and trucks back-to-back, Lincoln, Mercedes  
Fucked so many bottom broads you think it's your lady  
Or your bitch, niggas crazy, she drinkin' my babies, ugh  
So much ice in the blue chain you probably think it's Wu-Tang  
Sah-dah-tay every day like it's Pootie Tang  
Yuk and FM Blue, mayne, team up like the Kings in a hoop game  
Alley-oop to your nigga with the two chains  
And watch me shoot flame, bank shot off the glass, right?  
Smoke-a-Lot and Fast Life, nigga, what your cash like?  
Step it up, I'm like Scrooge McDuck  
In a coupe gettin' sucked with the Uz' to bust, I'm too much

4 Much, in a Chevy swingin' donuts 'til the cops show up  
You know I'm too much, 4 Much, in the kitchen cookin' dope up  
'Til the cops the show up, niggas know I'm too much

4 Much, in a Chevy swingin' donuts 'til the cops show up  
You know I'm too much, 4 Much, in the kitchen cookin' dope up  
'Til the cops the show up, niggas know I'm too much

I'll tell you one thing, I run tings like Papa Smurf  
No matter where I'm at, the Earth is my turf  
Run on niggas like they AstroTurf  
'Where am I? What happened?' is what you ask your nurse  
See, I'm blastin' first, after that, we can talk  
1-87s, 2-11s, assaults  
Never let 'em see me sweat, never show my faults  
I'm strict and I stick to the script I was taught  
Everything I ever bought was all on her  
Everything I ever want is all on her  
I'm so fly, your guy, the one you elected  
And them goons bow down, they gots to respect  
I'm the one you selected, but not what you expected  
I'm game-infected and I bring it hectic  
Done broke a gang of records, I'm a Hall of Famer  
I'm the hardest artist like Picasso the painter
