

Bitches

Mac Dre

My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see

I was on the 80, in my Mercedes
Seen this bad, black ass African lady
A Mfufu, in a new Izuzu
Not the average, ordinary bitch I'm used to
I'm a Mac, playboy, so cold I'm frigid
Went up beside her, hand the ma my digits
So quidnick she got the number and hit it
Put this game in her ear, now nigga, I'm wit' it
I was in Sac, up in Bobby McGee's
Bumped this Chinese mixed with Japanese
Dubee had an Indian bitch, we swapped 'em
Nigga, we some pimps, we never limit our options

My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see
My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see

Options like a quarterback, hyphell, that's how we act
I'ma smack everything I touch from the back
Chinese and Jap;, with that Nino back
So I'm killin', gator peelin', mayne, with every smack
And this Indian bitch, she just woo-woo-woo
While I make her pussy cream, wet dream and boo-hoo
No time for bullshittin', told her, "Bitch, good riddance"
Picked up the phone and called the next two kittens
Some Egyptians, gone off thug nigga's pimpin'
I smack 'em and send 'em if you see me wit' 'em
So what's up, cuddie?
(Cutt', you know it ain't shit)
Only in this shit for dough and that's it

My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see
My project ho amazes me
My city hoes be fadin' me

I got this sack holder, eighteen but act older
Set her down in the TL, she slang fat boulders
There's no limit to the things she do
She busts checks, she got some good pussy, too
But sometimes, I sit her ass on the bench
On some Rodney King shit, and nigga, I'm a pimp
Have you ever had a bitch from Korea?

She a dick a good suck, and nann bitch wanna see her
Every time I G her, it's like the first
She got voodoo cock, I think she's cursed
But, I don't curr, nigga, I'm a playurr
You might see me with a bad albino with short hurr

My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see
My project ho amazes me

I be a big mack, knock a bitch supreme
Level-headed, unleaded, I bring techroline
City slickin' sidewinder, looking for a beezy
Anywhere you see a bad bitch, well, you see me
With a Chinese, call her "Me She Want"
'Cause she's suckin' jungle nuts for me so long
Ain't nothin' wrong wit' it; if it's fine, I'll hit it
My Spanish bitch pop Spanish Fly's while I'm thizzin'
I mean, what is it? I need a bitch exquisite
90210 hoes and Hawaii bitches
A mami mistrees with me stuck in her dentures
I Thang Long on her when I go relentless

My project ho amazes me
My city hoes be fadin' me
My silly ho be pagin' me
Saditty ho I'm shakin', see
