

# Stupid Doo-Doo-Dumb

Mac Dre

Real big up in this bitch  
Stupid Doo Doo Dumb, Gorilla Milk In It  
And I'm talking to you niggas who's happy  
As a fagot in a tree full of dicks  
It's one love, to nobody what's really going on  
One love to nobody, Stupid Doo Doo Dumb  
We at the party, Egghhh let's kill em off  
Tray em off make a bitch cough

It started on a bright mourning in 1997  
I was in my ss-cevy y'all, I-80 doing one eleven  
Barking on my faulty phone, fresh new fit Marease Malone  
Burning tongue feeling hella numb, stupid doo doo dumb off 151  
Honking at every hoe that pass me, I'm hella nasty boy I need chasy  
I'm the type of brotha that will fuck yo motha  
With a magnum rubba and leave it on the cova, and won't love her  
All naw, all a nigga want is long jaw  
Eagle down where I'm from, how we come  
Stupid doo doo dumb

When yo chasie getting nasty playing with her pearl tongue  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Four fingers in a pussy cutie gone use yo thumb  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
When you hit it from the back and you smell sometin' sometin'  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Or when she's slurping on my dick and she starts to hum  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb

This is a brief description for those who don't know Dre  
I'll go bad on bitches like that nigga OJ  
Dig down broads and get blew at the telly  
And don't see nothing wrong, like that fool R Kelly  
I serve cock like Julie ain't sell jocks  
Ass hole naked getting blew in my socks  
I'm the type of nigga that do thangs to big thangs  
A super freak like that man Rick James  
Edina Howard can't freak like me  
Cause when I was in the pin I used to beat my meat  
But now I'm on the streets hitting hella skins  
Fuck a bitch so good she got to tell her friends  
Tarring shit up making noise and with 3rump and hood rat posing  
From city to city, town to town Stupid Doo Doo Dumb is how we get down  
Mac Mall (chorus two)

When you in yo own hood and they ask you where you from  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Dick longer then my feddi off 151  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Another hit of this shit and you gone bust yo lungs  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
When the babi hella flabby can't make a playa cum  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb

I'm hotter then fish grease, slicker than thick grease  
A chump on the strap when serving the six-peace  
Slick with this shit like spit on a gold tooth  
Stupid Doo Doo Dumb when I finish the cold both

Crest sida, hoo rida, servin on suckas who try to  
Front with fake raps, man I break backs  
And I make snaps when I shake craps  
Straight caps and lots of bay game cause  
It's a bay thang with young Mac Dre, I say thangs  
That make yo brain trip, frame from lame shit that some can't hang with  
That game I play and slang on dope tracks  
I lace the lame and tame with hoe slaps  
I'm so fat, when I'm on the micro-phone  
Stupid dumb making' em leave the micro-phone

When you off dog food and yo nose start to run  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Fuck a sista so good that her mami got sprung  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Had her when I met her no teeth no tongue  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb  
Crest Sidas in the house punk bitch we on one  
Stupid Doo Doo Dumb, Stupid Doo Doo Dumb
