Ugh  
Ugh cutty this is the one  
This is the one!  
This isnt number two this is definitely number 1  
Thizz is what it is

Let me get a thizzle so I can get to smackin  
And beat this track up like it's a nigga in a snitch jacket  
It's mackin in the throw back starter  
Mustin in mayo on tha yayo white nada  
Eric estrada on the bike tryna tackle me  
Hit a quick right then I dip into applebees  
I'm a thug partna  
Beat the blood out ya  
Nah I'm just playin can a nigga get a dub out ya  
I'm a club hoppa catch me in the parkin lot  
Somethin new milleni or tha old school barkin hot  
I start and stop stop and start  
Push the dart squash the lark  
My name is mac dre and I don't give a fuck  
If you really want me baby give it up  
Give it up  
Give a fuck  
I'm a drunk and an alchy  
I need life insurance cause she sucked the life out me

We S-T-U-P-I-D  
When we goto the club we don't need id  
Everywhere we go it's a party ya'll  
We gon get it crackin like the mardi gras

Maan even back when I was a 20 sack buya  
I was el flamo partna I had fire  
Bumpin like a bad choir  
Hutches used to ADmire  
Tha way I rocked tha mic on that bombay saphirre  
Down like a flat tire  
Heated like a flat iron  
Had a benz and a lexus but not a jaguar  
Cutty I slap fire  
When they talk back  
Oh this watch and the chain  
The hutch bought that  
Mac dre fought back  
For position  
In this rap game I was really on a mission  
From reno to richmond  
My teams known for pimpin  
Decon the poison  
And kilo the henchman  
We known for the tension  
We'll tear the club up  
Giggin so hard boy we tear the rug up  
My cuttys lookin smooth  
Dance out his pants  
They try to fuck with him but they don't stand a chance
