

## The Wolf Intro

Mac Dre

I'm super hyph-el  
Chop it up with the rifle  
Locked on the block with dime cells  
Busting these niggas that might tell  
Nigga my shells hit your mind cell  
Cutthoat nigga make a strap go blap  
And then it fade to black  
Nigga that's just how we act  
I'm super sav'd out  
Turftop nigga, yoking a glass house  
Fuck with me, you're ass out  
Don't call 'til he pass out and smash out  
Bitch my niggas be quick to curt and skurt all in the name of d  
ough  
Now what you in it fo? I'll have you know  
Saw boss, with the skrizzle with the saw  
'Til it's reemy, rock reezy, four five beezy's tan it off  
They say I'm off the hook, it's looking  
Cook a nigga 'cause I'm crooked  
If I spot it then I took it  
If I rock it then I juk it  
Man, it's the green feind  
That's what we all about  
Nigga been in it for some figures  
Snatchin' bitches turn 'em out  
I'm on the roller, burn 'em out  
Is we soldiers? Ain't no doubt  
We move the cola, blow the doja  
See we all thugged out
