Fastest Rapper Ever

Mac Lethal

Okay this is an iPhone stop watch!
And here we go
Here we goooo!!!

They think I'm fake up on Youtube cause they're idiots
I'm fast as hell though
Fast as hell though
Fast as hell though
Fast as hell though
Look at the iPhone stop watch that's in your face
I'm fast as hell though

That's a real watch, hey

They think I'm fake I'm up on Youtube cause they're idiots
I'm fast as hell though
Fast as hell though
Fast as hell though
Fast as hell though

These are my eyes
That's my black clover hat
Deep breath, yo!

I don't give a f**k about the money or the fame,
Or any groupie trying to touch me, I don't even know her name,
And I'm just kicking a rap to fade the competition,
Cuz sick of the sappy, heinous opposition,
Man I'm painting watch or listen,
Mothaf**kas wanna have another personal epiphany,
I'm coming with a symphony, eliminating everybody/anybody,
Run up like a cannibal and bite 'em like a peanut butter apple,
In a minute, I'ma nibble on a pentagram,
And every single bitter lamb is getting so offended,
I don't give a damn if anything a mental plan is coming,
As a visually integrated entity,
And everybody's gonna get the guillotine, yeah!,
I'm gettin' cinematic in a matter of a minute,
Every milligram is devilish, the Vatican will kill it dead,
Gonna kill it til it's dead, i'ma try to get em in the head,
Cornfed, Midwestern whore-bred, she looks though thick,
And juicy give it to me in the booty-shorts, then you gotta
Get up in the morn' and look at the iPhone bitch, because,
I don't give a f**k about the money or the fame,
Or any groupie trying to touch me, I don't even know her name,
And I'm just kicking a rap to fade the competition,
Cuz sick of the sappy, heinous opposition,
Man I'm painting watch or listen

Listen,
Watch or f*** listen
See that sh***

Look at the iPhone stop watch that's in your face
I'm fast as hell though
Fast as hell though
Fast as hell though

Fast as hell though

They think I'm fake up on Youtube cause they're idiots

I just did a lap
Bam! Theres another lap
Look at the stop watch, right here,
I'm fast as hell though
I'm fast as hell though
I'm fast as hell though
