

## Place Where You Belong

Mac McAnally

When the world is on your shoulder  
Keep dancing anyway  
When the world is on your shoulder  
Keep dancing anyway  
Walk it off, it won't be long  
You're gonna find a place where you belong

When you're going the wrong direction  
There ain't no need to run  
When you're going the wrong direction  
There ain't no need to run  
Find a point to focus on  
You don't wanna miss the place where you belong

Preacher man says, "heaven knows"  
Banker tells you, "that's the way it goes"  
Me, I'm trying just to get along  
And if your dreams don't all come true  
Make the most out of one or two  
The further down that road you're traveling on  
There's a place where you belong

When the world is on your shoulder  
Keep dancing anyway  
When the world is on your shoulder  
Keep dancing anyway  
Walk it off, it won't be long  
You're gonna find a place where you belong  
A place where you belong  
You belong
