

Same Old Heart

Mac McAnally

You say I'm not the man I used to be
Well, I won't argue with you there
Things are different between you and me
Things are changing everywhere

But it's the same old heart
It's always loved you
It's the same old heart
It's hangin' on
And no matter what else changes
I've still got the same old heart

Makin' love and makin' a livin'
I work hard at doin' both
Sometimes I might need forgivin'
Cause I'm just learning as I go

And it's the same old heart
It's always loved you
It's the same old heart
It's hangin' on
And no matter what else changes
I've still got the same old heart

And if our plans had turned out like we wanted
They'd be what we want right now

You say our love ain't what it used to be
Well, tell me, girl, what else is new
Until we make it what it's supposed to be
Well, I'll be right here lovin' you

With the same old heart
We started out with
It's the same old heart
It's hangin' on
No matter what else changes
No matter what else changes
I've still got the same old heart
