

# 2009

Mac Miller

Yeah  
Eric  
Well

I don't need to lie no more  
Nowadays all I do is shine, take a breath and ease my mind  
And she don't cry no more  
She tell me that I get her high 'cause an angel's s'posed to fly, and...  
I ain't askin' "Why?" no more  
Oh, no, I take it if it's mine, I don't stay inside the lines  
It ain't 2009 no more  
Yeah, I know what's behind that door

Yeah, okay you gotta jump in to swim  
Well, the light was dim in this life of sin  
Now every day I wake up and breathe  
I don't have it all but that's alright with me  
Take it nice and easy, took a flight to see me  
Send you back home with a light that's beamin'  
The whole team 'bout to figure it out  
We ice cold, that's what winter's about  
And sometimes, sometimes I wish I took a simpler route  
Instead of havin' demons that's as big as my house, mhmm  
Have a ball with a dribble and bounce  
'Cause the party ain't over 'til they're kickin' me out, yeah  
Isn't it funny? We can make a lot of money  
Buy a lot of things just to feel a lot of ugly  
I was yea high and muddy  
Lookin' for what was lookin' for me

But I don't need to lie no more  
Nowadays all I do is shine, take a breath and ease my mind  
And she don't cry no more  
She tell me that I get her high 'cause an angel's s'posed to fly, and...  
I ain't askin' "Why?" no more  
Oh, no, I take it if it's mine, I don't stay inside the lines  
It ain't 2009 no more  
Yeah, I know what's behind that door

Yeah they ask me what I'm smilin' for  
Well, because I've never been this high before  
It's like I never felt alive before  
Mhmm, I'd rather have me peace of mind and water  
See me and you, we ain't that different  
I struck the fuck out and then I came back swingin'  
Take my time to finish, mind my business  
A life ain't a life 'til you live it  
I was diggin' me a hole big enough to bury my soul  
Weight of the world, I gotta carry my own  
My own, with these songs I can carry you home  
I'm right here when you're scared and alone  
And I ain't ever in a hurry  
You don't never gotta worry  
Even when it's 7:30 and the time is runnin' low  
When your heart get cold  
See what's behind all them unturned stones  
And I'm a pro when it comes to my job

But really I'm just tryna start believin' in God  
Now when it gets hard  
I don't panic, I don't sound the alarm

Because I don't need to lie no more  
Nowadays all I do is shine, take a breath and ease my mind  
And she don't cry no more  
She tell me that I get her high 'cause an angel's s'posed to fly, and...  
I ain't askin' "Why?" no more  
Oh, no, I take it if it's mine, I don't stay inside the lines  
It ain't 2009 no more  
Yeah, I know what's behind that door  
I don't need to lie no more  
Nowadays all I do is shine, take a breath and ease my mind  
And she don't cry no more  
She tell me that I get her high 'cause an angel's s'posed to fly, and...
