On Fourth Street, the orphan children play on the jungle gym
Little Timmy broke his arm again on the monkey bars
Johnny's dad got a nicer car than all the other kids

Claire always wish she was as pretty as Julie
The boys always chase Julie around the sandbox
Claire just waits 'til she gets picked up by her grandpa

Before they get polluted, start thinkin' like adults
Life is fantasy and somersaults then
Before the world tear apart imagination

Before there were rules, before there were limits

)
Me, I used to want to be a wizard, when did life get so serious
