Mac Miller

Yeah, I be eatin' that Pink Slime  
Ha ha here we go

Got my chick makin' drinks with that cream, while I'm takin' sips of  
that lean

Life ain't a bitch if you make a wish, you might break a record like  
me

Got a mill at age nineteen, but I may just give that back

To show my friends I could do it again if I started all from scratch

All I do is rap, you can run and tell them hoes that

Pipe like a plumber it's nice with no rubber, she like when I fuck he  
r like that

This rap's what I do, but I been fly, been fly

You're now inside of my sick mind, that Pink Slime, that Pink Slime

She get good grades, suck a dick, what more could you ask for?

Big ol' butt, love to fuck, what more could you ask for?

Fuck with drugs, fall in love, what more could ask for?

What more could you ask, w-what more could you ask?

Go a hundred miles an hour, ride around the city

Smokin' on that sour, couple bad ones with me

Used to rock all my brother's clothes

Now designer brands, got a bunch of those

Got a bunch of diamonds and a bunch of gold

Ridin' by the cops, I'm like fuck em' though

Hoes turn bent for that Hermes, I'm bustin' nuts on her fur vest

My life is like a circus, my head's a little unfurnished

She on a roll, she Dean's list, her ass round like Venus

My penis, her cleavage, that freaky bitch need Jesus

She get good grades, suck a dick, what more could you ask for?

Big ol' butt, love to fuck, what more could you ask for?

Fuck with drugs, fall in love, what more could ask for?

What more could you ask, w-what more could you ask?

I'm switchin' up my flows, sellin' out these shows

Pop a bottle of Dom P, then spill it all on my clothes

Damn Mac, you're so grown, made a business all on my own

These labels callin' my phone, but I made this business all on my own

Give me that bass bitch, I'm a bass head, let it break shit til it ma  
ke a mess

I wrote myself another blank check, I'm fuckin it', need a AIDS test

Win the Heisman, I'm MVP, Dan Marino, you Sandusky

MC Hammer, they can't touch me, Skateboard P, he be on that beat

She get good grades, suck a dick, what more could you ask for?

Big ol' butt, love to fuck, what more could you ask for?

Fuck with drugs, fall in love, what more could ask for?

What more could you ask, w-what more could you ask?
