When I was just a kid, I dreamed that one day we'd all get rich
No more problems and no more tricks
I set my sights out cause In my life time...
Man, I've been some shit, I swear to god
I've seen some muthafuckin' shit
Whatcha doin' if you ain't on your job?

Hey, blow out your candles, make a wish
What's a life if you never take a risk?
Ain't a place too far, ain't a dream too big
Ain't nothin' wrong with a little bit of fun
Ain't nothin' wrong with a little bit of fun

In my life time, my whole M.O. was to get this memo
N.E.Y sabotage the wealthy and the rich and the poor
Long story short, that's my long term goal
My anatomy is platinum Gold is old
[?] in my hair, swayin' like booty
I done seen some spooky things through these gucci shades
Acute to cute bitches, niggas with drums
Niggas with bands like the Martin Luther King parade
But can't we all just get along?
Like Martin Laurence would say and get along with all day
She say Soulo, you soo crazy in the rain"
I say "I know", roll that weed nigga! (Shake that ass hoe!)
Most Dope, Top Dawg off the leash, Soundwave on the beat
Our Anarchy is our NR key
Your confidence is caca compared to a kamikaze
Still wishin' peace to all y'all, pardon my nostalgia
Soul!

When I was just a kid, I dreamed that one day we'd all get rich
No more problems and no more tricks
I set my sights out cause In my life time...
Man, I've been some shit, I swear to god
I've seen some muthafuckin' shit
Whatcha doin' if you ain't on your job?

Yeah, I've seen some shit
How'd I end up in a place like this?
Swear to god, seen some shit
Light a match, keep it lit, yeah, it is what it is

In this life time, be the time of your life
It's been a while, come back to you just like ridin' a bike
And as a child, I was curious my my mind was the dirtiest
Curse words we're probably my first words, affirmative
My home run derby shit, was makin' profit out the park
Even the brights mind will hang around at dark sometimes
I had to fight for mine, Tyson in his prime, used to idolize
Had to write my wrongs, the day's short, the night's is long
I'm makin' corpses when it's on and eatin' swordfish, from gigantic [?]
Know that it's important, but I am stronger
I'm a monster with the heart of a lion divide and conquer
Walk on water, it won't be long till I flyin', that's my departure
I'm a goner, shootin' down from the sky with the eyes of an archer
What a fine act you got for, I don't know why what I get soo high for

I'm a problem and as long as I try know [?] comma
You'd be traumatized seein' what came across these eyes
There was a time...

When I was just a kid, I dreamed that one day we'd all get rich
No more problems and no more tricks
I set my sights out cause In my life time...
Man, I've been some shit, I swear to god
I've seen some muthafuckin' shit
Whatcha doin' if you ain't on your job?

Take your time
Don't close your eyes
Life happens in a flash
And you don't wanna miss that

Yeah, I've seen some shit
How'd I end up in a place like this?
Swear to god, seen some shit
Light a match, keep it lit, yeah, it is what it is

We all grow up to be gangstas, playas, snitches
Freaks and strangers, politicians
Good and evil people
Sinners, saints and everything in between
Lately I've been thinkin', I've been thinkin'
What's the difference? What's the difference?
Nothin' at all!
Aye, let me just add one more thing, Josh
(Watch that shit man, you almost burnt me nigga!)
