

Carolina

Mac Powell

Every time I think of you
I catch myself smiling
Remembering the times that we've had
I might leave, chase my dreams
Down that highway for a while
But than again
I always come back

Carolina
You know I could never leave you
Carolina
Cause you're right here in my dreams
You're always there
No matter when my feet can take me
Carolina
You know you mean
More than the world to me

The sunshines in your eyes
The summer breaze blows through the pines
I wish that I could be with you now
You can take me away
When my world is upside down
I've gotta get to you somehow

Carolina
You know I could never leave you
Carolina
Cause you're right here in my dreams
You're always there
No matter when my feet can take me
Carolina
You know you mean
More than the world to me

I don't know what I'm do'in here without you
Feels like I've lost my way
Tonight I'm missin' everything about you
And this time I'm comin' home to stay

Carolina
You know I could never leave you
Carolina
Cause you're right here in my dreams
You're always there
No matter when my feet can take me
Carolina
You know you mean
Carolina
You know you mean
More than the world to me

Oh Carolina
