

Live Like Jesus

Mac Powell

Slow to anger, rich in love
Strong and steady when the road gets rough
Quick to mercy, full of peace
Looking out for the least of these

I wanna live like Jesus
For all of my days
I wanna live like Jesus
Let love lead the way
Eyes on the father
Heart full of faith
I wanna live like Jesus
For all of my days

Friend of sinners, rich and poor
Knows that a soul is worth fighting for
Tender hearted, spirit filled
Standing with you when no one else will

I wanna live like Jesus
For all of my days
I wanna live like Jesus
Let love lead the way
Eyes on the father
Heart full of faith
I wanna live like Jesus
For all of my days

Willing to sacrifice, unafraid
To lay it down and give my life away

I wanna live like Jesus
For all of my days
I wanna live like Jesus
Let love lead the way
Eyes on the father
Heart full of faith
I wanna live like Jesus
For all of my days
I wanna live like Jesus
For all of my days
I wanna live like Jesus
For all of my days
