

My Good

Mac Powell

You are working all things out
For my good and for Your glory
And I know without a doubt You'll make a way
Through my troubles and my trials
This has been my testimony
You are moving mountains every single day

For my good
For Your glory
When this world has got me down
You can turn it all around
It's my song
It's my story
You are working all things out
For my good, good, good
And Your glory

You brought beauty from the pain
You brought life out of the grave
No I won't forget the times that You came through
So when the devil brings me doubts
I won't give up, I won't back down
Cause I've seen the kind of miracles You do

For my good
For Your glory
When this world has got me down
You can turn it all around
It's my song
It's my story
You are working all things out
For my good, good, good
And Your glory

Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
I will glorify Your name
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
I will glorify Your name

You are working all things out
For my good and for Your glory
And I know without a doubt You'll make a way

For my good
For Your glory
When this world has got me down
You can turn it all around
It's my song
It's my story
You are working all things out
For my good, good, good
And Your glory

Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
I will glorify Your name
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
Oh-oh oh-oh oh-oh-oh-oh
I will glorify Your name
