

## Corpse Violator

Macabre

He comes to dig your grave  
So your body he can save  
Then he takes you home  
Where you both can be alone

Corpse Violator  
He digging up your grave  
Corpse Violator  
Cause dead ladies he does crave  
Corpse Violator  
He digs you in the night  
Corpse Violator  
When no one is in sight

When you're at his place  
He likes to wear your face  
Then he eats you in the night  
His place was quite a fright

Corpse Violator  
He comes to dig your grave  
Corpse Violator  
With your body he will play  
Corpse Violator  
He digs you up at night

When no one is in sight

Corpse Violator  
He comes to dig your grave  
Corpse Violator  
With your body he will play  
Corpse Violator  
He digs you up at night  
Corpse Violator  
When no one is in sight
