

# Slaughter House

Macabre

As Grace opened up the door  
Albert naked is what she saw  
Something happened something's wrong  
Now poor Grace is dead and gone

Well Grace felt so all alone  
Then Albert turned her into bones  
The work of his twisted mind  
She just was the next kid in line

Why did something like this have to happen to Grace  
Albert cooked and ate her with a smile on his face  
He said that kid meat had the very best taste  
Then after Fish ate he would go masturbate
