

# The Lake of Fire

Macabre

When Leonard Lake was just a child  
His mother planted seeds so vile  
She encouraged Lake to photograph  
His nude sister and cousin

This scarred Leonard Lake for life  
He was divorced by two wives  
His thoughts were on pornography  
And abducting girls for slavery

From Leonard Lake's sick desires  
Death and torture was inspired  
With Leonard Lake's depraved desires  
Death and torture was required

A Chinese man in prison  
Befriended Lake, liked his plan  
They sought to capture teenage slaves  
But then they'd film the escapades

They built a bunker on his land  
A secret place for their plan  
With a stolen camera, films they made  
Snuff flicks of their escapades

From Leonard Lake's sick desires  
Death and torture was inspired  
With Leonard Lake's depraved desires  
Now he's in the lake of fire  
Now he's in the lake of fire  
Now he's in the lake of fire

Then Charles Ping stole a vice  
Probably for a torture device  
In the trunk of a car, a man Lake killed  
Ping put the vice with Lake at the wheel

Charles escaped as the police arrived  
And found the car with Leonard inside  
Then Lake was arrested and charged  
They found a dead man in his car

From Leonard Lake's sick desires  
Death and torture was inspired  
With Leonard Lake's depraved desires  
Now he's in the lake of fire  
Now he's in the lake of fire  
Now he's in the lake of fire

For hours, Lake evaded questions  
Then he asked for some water from them  
His belt buckle had a compartment inside  
Which contained a capsule of cyanide

Lake consumed the lethal dose  
Arrived at the hospital comatose  
In four days, Leonard Lake expired

Now he's in the lake of fire

From Leonard Lake's sick desires

Death and torture was inspired

With Leonard Lake's depraved desires

Now he's in the lake of fire

Now he's in the lake of fire

Now he's in the lake of fire
