

# The Murder Mack

Macabre

Two very bad men met in the slam  
And talked about what they'd do when free again  
They'd get a van, an old cargo van  
With no windows on the back to look in  
Then drive the old van all around and  
Look for young women to get in the van  
The back of the van, for rape and torture  
Then they would kill them

They called the old van the Murder Mack  
The Murder Mack, women attacked  
In the Murder Mack, the Murder Mack  
The Murder Mack  
They called the van the Murder Mack  
The Murder Mack, young girls they whacked  
In the Murder Mack, the Murder Mack  
The Murder Mack

Then once out of prison the two evil men  
Sought to carry out their evil plan  
They bought an old van to kill young girls in  
Then drove it around and got girls in their hands  
Inside the van, the old cargo van  
With tools in the back used to torture them  
In the back of the van, then the police caught them  
Now they are back in they are back in the slam

They called the old van the Murder Mack  
The Murder Mack, women attacked  
In the Murder Mack, the Murder Mack  
The Murder Mack  
They called the van the Murder Mack  
The Murder Mack, young girls they whacked  
In the Murder Mack, the Murder Mack  
The Murder Mack
