

# Love Is The Only Way

Macaco

One, dos  
One dos tres  
Love love love  
Is the only way  
Is the only way  
Cause for the world you are someone  
But for someone you're the world  
Love love love  
Is the only way

Para unos el amor es despertar  
Una vacuna sin comerciar  
Un baile de dos que va a compas  
Si la suma es buena da 3 o mas  
Otros con el amor calculan intereńs  
Y si lo rompen calculan otra vez  
Oye, dime  
En que lado quieres estar

Love love love  
Is the only way  
Is the only way  
Cause for the world you are someone  
But for someone you're the world

Para unos el amor es caminar  
Es un espejo donde mirar  
Una protesta del corazyn  
Si no lo escuchas es respondon  
Otros con el amor juegan a amarrar  
Y entre los dedos se les suele escapar  
Oye, dime  
En que lado quieres estar

Love love love  
Is the only way  
Is the only way  
Cause for the world you are someone  
But for someone you're the world

Viene, va when love is coming  
Dreaming of some loving to love  
Viene, va, va when love is coming  
Dreaming of some loving to love  
Viene va, viene va when love is coming  
Dreaming of some loving to love  
One love  
One love

Love love love  
Is the only way  
Is the only way  
Cause for the world you are someone  
But for someone you're the world  
Love love love  
Is the only way  
Is the only way

Cause for the world you are someone  
But for someone you're the world
