

# Be Yourself

Machel Montano

[Daddy, daddy, daddy, daddy.  
Come here babies. You know I love you, right?  
I love you daddy  
And I love you to  
I love you too daddy]

## VERSE 1

Babies when you see I'm gone  
Let the music carry on  
Shine your love light in the sky  
Let the message shine so bright  
Trust Jah guidance everyday  
And quietly you seek his way  
And listen what yuh momma say  
Yeah yeah yeah yeah yeah  
Love the ones who love you the most  
And those who don't you love them more  
For every door that's closed in front you  
There will be an open door  
And this is what yuh momma say  
Yuh know it is the only way  
Hear me when I say

## CHORUS

Will you always be your best? (Yes papa)  
And do better than the rest? (Yes papa)  
Trust in God to manifest. (Yes papa)  
And know that you are always blessed. (Yes papa)  
And listen what yuh momma say  
Yuh know it is the only way  
Yeah yeah yeah yeah yeah  
So be yourself, be yourself  
And never try to be no one else  
Seek solutions to your problems  
In the end you'll always solve them  
Yes it is the only way, (yeah yeah yeah)  
Listen what yuh momma say (yeah yeah)

## VERSE 2

Love your friends and be discrete  
And let the truth be what you speak  
And like the angels guiding me  
They will guide you lovingly  
Always make somebody smile  
Help the person by your side  
And ask the giver every day  
To give you love in every way  
Have your fun and you go free  
Live in love abundantly  
And everything your parents say  
Just apply in your own way  
And listen what yuh momma say  
It is the only way  
Yeah yeah yeah yeah yeah

## CHORUS

So, will you always be your best? (Yes papa)  
And do better than the rest? (Yes papa)  
Trust in God to manifest. (Yes papa)  
And always know that you are blessed. (Yes papa)  
Yes it is the only way

What yuh momma say  
So be yourself, be yourself  
be yourself, be yourself  
be yourself, be yourself  
be yourself, be yourself

VERSE 3

[Listen up]

Before you seek to be understood  
First you seek to understand  
Always stand for what you believe in  
And never rule out standing down  
Believe in only what you see  
And everything you feel you be  
Focus on your soul direction  
Let your heart answer each question  
Have the patience of a lot  
And every dream you realize  
Once you stick to your own purpose  
It'll be right in front your eyes  
Listen what yuh momma say  
It is the only way  
Yeah yeah yeah yeah yeah

CHORUS

So, will you always be your best? (Yes papa)  
And do better than the rest? (Yes papa)  
Trust in God to manifest. (Yes papa)  
You know that you're always blessed. (Yes papa)  
Yeah yeah yeah yeah yeah  
You know it is the only way  
Hear me yeah yeah yeah  
So be yourself, be yourself  
And never try to be no one else  
Seek solutions to your problems  
In the end you'll always solve them  
Listen what yuh momma say (yeah yeah)  
Yes it is the only way, (yeah yeah yeah)
