We're not staying down!  
We got them off ground  
We're not staying down!  
We got them off ground  
We're not staying down!  
We got them off ground  
Get off the ground,  
Get ready to  
Get off the ground  
It's got me flying  
Get off the ground  
Start jumping  
I tell you!  
We're not staying down  
We gotta rock the ground!  
We're not staying down  
We gotta rock the ground!  
Everybody make your rhythm...  
Spend your. other  
Everybody stand up  
Get off the ground, get off the ground, hey  
Get off the ground, get off the ground,  
Float like Superman!  
Get off the ground, get off the ground, hey  
Get off the ground, get off the ground,  
Floating all around  
Utopian, utopian, utopian  
Float in the van

Float, float  
Later that I say I will  
Keep jumping off!  
Float! Get ready to levitate!

Float, float

Floating over them is... to be best friends  
We got to knock the ground  
We're not staying down!

We're not staying down!  
We got to knock the ground  
We're not staying down!  
We got to knock the ground, go!  
Floating over them  
Is hard to be best friends, though  
Truth is that we...  
Keep jumping on!
