

Came Home

Machine Gun Fellatio

I only miss you on my down days,
I don't know if that's selfish.
Don't know what I want from you,
But I'm lost,
I miss your sarcasm and your affection.
I see your friends and they ignore me,
Do they think that they're doin' you come kind of favour?
Well I'm lost,
I wish I could take a plane to somewhere new.
'Cause I'm cold in the winter-time,
Lonely at dinner-time,
Drunk at closing-time,
I think it's time you came home.
I think it's time you came home.
I only miss you on my down days,
I don't know if that's selfish,
But I know what I want from you,
'cause I'm lost.
I know what I want but I've forgotten what makes you happy.
'Cause I'm cold in the winter-time,
Lonely at dinner-time,
Drunk at closing-time,
I think it's time you came home.
I think it's time you came home.
I'm cold in the winter-time,
Horny at dinner-time,
I'm confused at closing-time,
I think it's time you came home...
