I don't see why you need them, really
I don't see why you need them

Our aim is to give the public honest melody and honest price. Honestly paid for and honestly printed. We believe the public want these songs, but, we believe something else as well. We believe these songs are part of the life-blood of the people. That they'll be remembered, looked back upon, and loved. That's all gentlemen. Thank you for listening.
