Ech, pimpin

I got fifty hoes on my dick ain't that yo' bitch?  
I got fifty hoes on my dick, every one of them vouchin'  
I got fifty hoes  
You got fifty hoes?

Fifty hoes, fifty hoes, fifty hoes on my dick Fifty hoes, fifty hoes, every  
one of them vouchin', damn

I got fifty hoes on my dick bitch  
Fifty o's in my zip bitch  
Burn the roof off this muhfhucka like I got fifty stoves in my whip bitch  
We all smoking and driving  
Might as well say that I'm flying  
Might as well call me the pilot  
Bitches in my cockpit I don't check mileage  
I just fuck my ho like I'm 'sposed to  
And when she bring her friends I fuck both  
I brought the bitch to thanksgiving  
Why?  
Cus she fucks with me when I'm broke  
Ain't nothing funny about the way I get money  
And them Cleveland boys ain't no joke  
I'm the truth and the truth is hard to swallow  
So you better tell these bitches don't choke, echo  
I got one bitch, I got two bitch, I got three bitch, I got four  
I tell the fifth bitch to tell sixth bitch to get the seventh bitch to bring  
mo'.  
Ain't no hand cuffin cousin  
That bitch ain't on parole  
And pimpin ain't easy pimp but pimpin's all that I know, God damn

Ay ay ay ay ay Montana  
I got fifty hoes on my dick  
I got bout fifty hoes on that strip  
I got bout fifty load in that grip  
I'll put bout fifty holes in your fit  
My roof way back  
Montana stay strapped  
Fuckin niggas hate that  
Bad bitches play back  
My pinky 80 stacks  
Cash I'm coppin  
Diamonds shining rocky ASAP  
I told them I be pimpin on them bitches  
You can call me pimping ken  
I fuck em once and tell em go and bring a friend  
She ain't seen a real nigga ball in a minute  
She ain't seen that money stacked tall to the ceiling  
White Maybach no roof in the ceiling  
When I take em to the crib all the bad bitches with it
