

A Girl Like You

Machine Gun Kelly

I've never known a girl like you before
Just like in a song from days of yore
Here you come a-knock knocking on my door
I've never met a girl like you before

You give me just a taste so I want more
Now my hands are bleeding and my knees are raw
You've got me crawl crawling on the floor
I've never met a girl like you before

You made me acknowledge the devil in me
I hope to God I'm talking metaphorically
Hope that I'm talking allegorically
Know that I'm talking 'bout the way I feel

And I've never known a girl like you before, never
Never, never, never, never
I've never known a girl like you before
