

## Empty Souls

Machine Gun Kelly

Sex, drugs and empty souls  
Yeah, I've been down so long (So long)  
Come on, let's go, let's go (Let's go)  
Here we go, go, go again  
Here we go, go, go again

Fasten up, 'cause we here for a long ride  
I get lost in my days, but it's alright  
Party after party, waiting for the day that something change (Huh)  
But it never does  
We end up back where we started  
Bottles in hand, take another sip  
And cheers to dearly departed  
And we'll never stop partying

And we'll never stop partying  
And we'll never stop partying  
And we'll never stop partying (Yeah)  
And we'll never stop (Never stop, yeah)

Sex, drugs and empty souls (Empty souls)  
Yeah, I've been down so long (So long)  
Come on, let's go, let's go (Let's go)  
Here we go, go, go again  
Here we go, go, go again

The bar's open, I'm closed up  
Had the same clothes on when I woke up  
Ex girlfriend, just broke up  
With her man tryna hit my phone up  
We'll end up back where we started  
Fucking on the living room couch  
I guess I love you regardless  
Fucking just to figure shit out, yeah

Sex, drugs and empty souls  
(Sex drugs, sex, drugs and rock & roll)  
Yeah, I've been down so long  
(Yeah, sex drugs, sex, drugs and rock & roll)  
Come on, let's go, let's go  
(Sex drugs, sex, drugs and rock & roll)  
Here we go, go, go again  
(Sex drugs, sex, drugs and rock & roll)  
Here we go, go, go again

We end up back where we started (Where we started)  
Cheers to dearly departed
