

Lonely Road

Machine Gun Kelly

Lonely road
Take me home
Take me home
Lonely road

I'ma go downtown
Ain't been in a long time
I'm taking back Sundays
Since you took away my life (Since you took away my life)
There's some things that I know now (Mhm)
Couple songs that I'd rewrite (Yeah)
Start over like Mondays
Pouring strong on a weeknight (Mhm)

See, I hear the devil wears Prada, but I couldn't read the tags
And your horns started showing when I seen you mad
But I'll wait for you
'Cause this is not the face I knew
I probably could've saved us, but instead, I let us crash
'Cause I don't trust no one to love me back
But she say I do
And this is not the place for you

Lonely road take me home
To the place where we went wrong
Where'd you go now?
It's been a ghost town
And I'm still here
All alone

When the days feel long
And the nights get cold
And I'm thousands of miles away
I use alcohol just to fill that hole
Will our home ever be the same?

I hear the devil wears Prada, but I couldn't read the tags
And your horns started showing when I seen you mad
But I'll wait for you
'Cause this is not the face I knew
And I probably could've saved us, but instead, I let us crash
'Cause I don't trust no one to love me back
But you say I do
And this is not the place for you

Lonely road take me home
To the place that we went wrong
Where'd you go now?
It's been a ghost town
I'm still here
All alone

And if you could salvage my soul
Would you sacrifice this life to not die alone?
'Cause even a palace ain't home without you
So I might leave here soon, but I wanna leave you this song (Hey)

Lonely road (Lonely road)
Take me home (Won't you take me home)
To the place (To the place)
Where we went wrong
Where'd you go now? (Where'd you go now?)
It's been a ghost town
And I'm still here (I'm still here)
All alone

This lonely road
Yeah, I'm on this road now
(This lonely road)
Feeling so alone
Take me home
This lonely road
I'm on this road now
(This lonely road)
Feeling so alone
Take me home, mhm
