

# My Ex's Best Friend

Machine Gun Kelly

Ayy

You know my ex, so that makes it all feel complicated, yeah

(It all seems complicated)

I read those texts that you sent to yours, but I'll never say it, yeah

(I'll never say—)

You walked in my life at 2 AM

'Cause my boy's new girl is your best friend

Act like you don't see me, we'll play pretend

Your eyes already told me what you never said

Now we're in the backseat of the black car, goin' home

When she asked me, "Is it wrong if I come up with you?"

We're both drunk on the elevator

When I kissed you for the first time in New York City, uh

I swear to God, I never fall in love

Then you showed up and I can't get enough of it

I swear to God, I never fall in love

I never fall in love, but I can't get enough of it (Yeah)

First off, I'm not sorry, I won't apologize to nobody

You play like I'm invisible, girl, don't act like you ain't saw me

Last year was a mess and how I acted was beyond me

But the past still revolves me, you text me, I ain't responding

But now shit's done changed, go our separate ways

But look at this damage you did to me

I still want nothing to do between you and me

Please don't say nothin', it all sounds so true to me

We don't got nothin' to say, hey!

I swear to God, I never fall in love

Then you showed up and I can't get enough of it

I swear to God, I never fall in love

I never fall in love, but I can't get enough of it (Yeah)

I swear to God (I swear to God), I never fall in love

Then you showed up and I can't get enough of it (I can't get enough of you)

I swear to God (I swear to God), I never fall in love (In love)

I never fall in love, but I can't get enough of it (I can't get enough of it; Yeah)

You know my ex, so that makes it all feel complicated, yeah

(It all seems complicated)

I read those texts that you sent to yours, but I'll never say it, yeah

(I'll never say—)
