

## Go Crazy

Mack Wilds

Girl, I'm tryna give you what you want  
'Cause you got what I need  
Come a lil' closer please  
You got me  
Feening for it  
Hoping  
These feelings turn real  
Show me, yeah  
Little lady, don't you play with it  
(Girl, I wanna hit it)  
What I'm tryna say is

Turn the lights off  
Girl, I'm finna make you go crazy  
No backdrops  
Just backshots, oh  
Movin' that thang like that  
Gon' fuck around and make us a baby  
Sweet satisfaction  
Said you ain't new to this  
You true to this  
Talked shit in the meantime  
Played games like it's teatime  
'Til I came around  
And hit you with this muhfuckin' D-line, oh  
Keep playing, girl  
I promise, I'ma make you go crazy  
Go crazy, baby

Talk so vicious  
Yo body missed this  
Up top look proper  
But ass like young Deelishis  
And I'm kissing my way  
Around all ya spots  
Screamin 'til they call the cops  
Tell me if you'd like to stop?  
(I don't wanna stop)  
(Tell me what you want from me?)  
A good time  
Fuck around and fuck about 2 times 2 times 2 times 2  
(Can I give you all of me?)  
Hold up  
Before I shoot the store up  
Po' up  
'Cause you know I'm finna blow up

Turn the lights off  
Girl, I'm finna make you go crazy  
No backdrops  
Just backshots, oh  
Movin' that thang like that  
Gon' fuck around and make us a baby  
Sweet satisfaction  
Said you ain't new to this  
You true to this  
Talked shit in the meantime

Played games like it's teatime  
'Til I came around  
And hit you with this muhfuckin' D-line, oh  
Keep playing, girl  
I promise, I'ma make you go crazy  
Go crazy, baby
