

Gone Fishing

Mackenzie Carpenter

Been on the lake more times this month than all last year combined
I didn't think much of it till he stayed out there all night
So I drove out to Percy Priest
Found him kissing some blond in his back seat
Had an epiphany
Told myself that I
Had to teach that good old boy a lesson when the sun got setting

He's gone fishing out in the dark
Wasn't hard to fit him in the trunk of my car
Had to scrub down the dock and his tackle box
Used a whole damn gallon of Clorox
He's gone fishing I'm at the bar
Perfect alibi drinking PBR
Nobody even knows he's missing
Bet he's wishing
He'd never gone fishing

I'll give it a couple day and then I'll call the cops
Say that I ain't seen him since he walked out with his zebco rod
Try to cry a tear or two when I'm interviewed on the local news
Join the search crew
Beg 'em not to call it off
Do anything a heartbroke wife would do
Except tell the truth

He's gone fishing out in the dark
Wasn't hard to fit him in the trunk of my car
Had to scrub down the dock and his tackle box
Used a whole damn gallon of Clorox
He's gone fishing I'm at the bar
Perfect alibi drinking PBR
Nobody even knows he's missing
Bet he's wishing
He'd never gone fishing

It's a real small town
I'm sure I'll see that blond around
I wouldn't be surprised if out of the blue
Turns out she's gone fishing too

He's gone fishing out in the dark
Wasn't hard to fit him in the trunk of my car
Had to scrub down the dock and his tackle box
Used a whole damn gallon of Clorox
He's gone fishing I'm at the bar
Perfect alibi drinking PBR
Nobody even knows he's missing
Bet he's wishing
He'd never gone fishing

I bet he's wishing
Wishing he'd never gone fishing
I bet he's wishing
Wishing he'd never gone fishing
