

# The Other Side

Mackenzie Carpenter

I wanna know what it's like on the other side  
Of the phone when you call just to talk late at night  
How it feels to be on the opposite end of your lovin'  
To have a second of your time  
Yeah, I wanna know what it's like  
I wanna know what it's like to hold you close  
To know the things about you nobody knows  
How it feels to lay my head on your chest and take your breath  
To spend a minute on your mind  
Yeah, I wanna know what it's like

'Cause seeing you with her, yeah, it kills me  
But not seein' you at all would be worse  
So I keep it all inside 'cause you'll never be mine  
And damn it, you look happy with her

I wanna know what it's like to be the one  
That makes your mama say, "Don't mess it up"  
How it feels to be your favorite song, is it so wrong?  
Is lovin' you a crime?  
Yeah, I wanna know what it's like

'Cause seeing you with her, yeah, it kills me  
But not seein' you at all would be worse  
So I keep it all inside 'cause you'll never be mine  
And damn it, you look happy with her

Ooh-ooh  
Ooh-ooh  
I wanna know what it's like on the other side  
But I'll never know what it's like on the other side
