

Drinkin' Songs

MacKenzie Porter

We knew every word the first time we heard it
'Cause it was singin' 'bout us
Stayin' up all night plannin' out our lives
All the way to the end of time

Oh-oh-oh
It was the soundtrack to every kiss
Wish I could go back before all this
Oh-oh-oh
And tell the radio you were about to go

We'd sing about fallin' in love
It couldn't get much better
I wish I could make time stop
In that chorus forever
But things change and you're gone
And I can't turn it off when it comes on
Now it's just another one of my drinkin' songs

Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs
Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs

And it's like you're callin' into every station
'Cause it follows me around
And it gets me reachin' for a bourbon
'Cause I wonder if you're hurtin'
The way I am right now

Oh-oh-oh
It was the soundtrack to every kiss
Wish I could go back before all this
Oh-oh-oh
And tell the radio you were about to go

We'd sing about fallin' in love
It couldn't get much better
I wish I could make time stop
In that chorus forever
But things change and you're gone
And I can't turn it off when it comes on
Now it's just another one of my drinkin' songs

Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs
Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs

It was the soundtrack to every kiss
Wish I could go back before all this
And tell the radio you were about to go

We'd sing about fallin' in love
It couldn't get much better
I wish I could make time stop
In that chorus forever
But things change and you're gone
And I can't turn it off when it comes on
Now it's just another one of my drinkin' songs

Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs
Oh, oh, oh, oh-oh
Oh, oh, oh, oh-oh
Now it's just another one of my drinkin' songs
